«And the angel said unto them, «Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David, a Saviour» »

. The Saviour was born «to all people» and all men are equal in His sight The bulwark of faith and courage in any community is the church. Old St. Andrew's Church, just North of Winnipeg, is one of the oldest churches built by the pioneers of the West, still standing and active in its work. The faith of the pioneers was simple and sincere. Simplicity and sincerity is what the world needs most just now.
